D-Star Configuration

Setting	Value		
RPT1 Callsign:	WA3PNY B ⇕		
RPT2 Callsign:	WA3PNY G		
Remote Password:	·········		
Default Reflector:	DCS045 ⇕ A ⇕	◉Startup ◯Manual	
ircDDBGateway Language:	English_(US) ⇕		
Time Announcements:	◯		
Use DPlus for XRF:	◯	Note: Update Required if changed	

1. Fill in the Callsign for RPT1 and RPT2 (use your own Call).
2. Remote Password is not used
3. Default Reflector is DCS045 A
4. APRS Host is optional
5. ircDDB Gateway Language select yours
6. Time Announcements are cute, but not essential
7. Turn DPlus off for DCS (optional can be on, not used in DCS)
8. Apply Changes

This configuration should connect to XLX045 using DCS. If you don't see DCS045 in the Reflector list, try doing an Update.
